Home library service

Love reading but can't get to the library?

Ask about our free delivery service to your home, on 0845 3459177

The service can be offered to anyone of any age who cannot easily visit a library. If you are confined to your home, you may find it helpful to have library books, talking books or other items delivered.

There are three ways of receiving the home library service (listed inside). Our Home Library Co-ordinator can advise on the best option for you.
